OBJECTIVE

Passionate Full-Stack Developer who turns ideas into code with a combination of front-end delicacy and back-end precision. I'm excited to join a dynamic team and use my talent for innovation and problem-solving to build seamless digital experiences. Prepared to contribute and grow in a collaborative tech environment.

EXPERIENCE

Liberty Commercial Center (LCC Malls)   Sep 2022 — Present
Application Developer   *Hybrid*

- Designed and developed In-House Applications based on software requirements to automate business processes for internal use, utilizing agile development methodologies.
- Converted desktop application to web using **Javascript, PHP** and **MySQL** and Windows CE PDT application to mobile android application using **Xamarin, C#** and **SQLite**.
- Enhanced, modified, repaired and expanded existing software and generic applications.
- Regular bug solving and feature development.

Freelance   Apr 2022 — Jul 2022
Front-End Web Developer   *Remote*

- Contributed to the design and responsiveness of business website pages using **CSS3** and **Javascript**.
- Conceptualized and crafted a distinctive business logo for the website using **Inkscape**.
